Self-assessment #1: Turn this document in with the draft of your report.

Project title _____________________________________________________________

Name_________________________ Group ID______________________

A) List (in order of importance) the three messages you would most like to have the reader take away from this report.

1) ________________________________________________________________

_______________________________________________________________

2) ________________________________________________________________

_______________________________________________________________

3) ________________________________________________________________

_______________________________________________________________

B) How well do you think you have conveyed those ideas? Why?

_______________________________________________________________
C) What do you think is working well in this report? What do you think needs work, and why? Please be specific, using terms/wording from the writing guide.

D) List the one item you would most like to receive feedback about.

E) Any other questions or concerns you have?
