Self-assessment #2: Turn this document in with your revised report.

Project title______________________________________________________________

Name_________________ Group ID____________________

(A) Summarize the feedback that your peers and TA/professor gave you on the first draft. Then summarize what you changed in order to address the feedback.
______________________________________________________________________
______________________________________________________________________

(B) Grade the writing in the report, using terms/wording from the writing guide. PLEASE NOTE that thoughtful self-assessment will positively impact your grade.
______________________________________________________________________
______________________________________________________________________

(C) If you do not think that your writing conformed to A standards, please explain what difficulties you are having, and what you have tried to address those issues. We will use this information to make suggestions during workshops/class and to provide resources.
